The new jungle honey!

It's Emily Scott – in a semi-bikini!

WE'RE NOT sure if it was her general, all-round prettiness, an audacious talent for bikini-filling or the fact that she lives just around the corner in Oz which prompted Emily Scott's introduction into the *I'm A Celebrity* jungle. But it'd be churlish to grumble.

Instead, as there's no toplessness allowed (not even in the late-night ITV2 edition – go figure!) here's Emily out of that bikini. Displaying a chest every bit as hair-free as that Mark Wright's!

LOVE INTEREST!

The show's producers are hoping Emily and Mark Wright hit it off. Needless to say, we aren't.

It was so hot, Emily's clothes vapourised

It's the most viewed bikini on British television!

➔ **IT'S FOREVER** encouraging to us that whenever producers start recruiting for their yearly roster of *I'm A Celebrity* victims/contestants, they turn to *Nuts* first for inspiration. So this year, the delightful Jessica-Jane Clement joins past *Nuts* alumni such as Nicola McLean, Nell McAndrew, Gemma Atkinson and Emily Scott.

You're welcome, ITV! Our invoice is in the post. But in the meantime, here are the highlights of Jessica's fine work on the show so far. We've leaned more towards the bikini wearing and bathing elements, and away from the bush tucker trials. We hope that's OK!

Seal vs great white!

Huge two-tonne fish takes on less-huge mammal

HOLLYWOOD STORIES are chock full of plucky underdogs scoring against-the-odds victories over incalculable odds. This, sadly, isn't one of them. Nope, they're astonishing shots of a hungry great white shark doing what it does best. This plucky cape fur seal did its best to escape the killer's jaws in False Bay, South Africa. But the five-metre monster scoffed it. Still, it's in heaven now. Probably having stuff Fixed for it by Jimmy Savile.

Record-breaking wave!

That's a tiny man and a 90ft wall of water!

MESSAGE FOR

Mike Parsons:

you can no

longer dine out on your surfing record. See, Mike tamed the world's biggest wave in 2008, at Cortes Bank, California. Which at 70 feet was impressive. This, however, is American surfer Garrett McNamara riding a 90ft monster off the coast off Nazaré in Portugal.

Garrett wasn't even planning to surf that day, but decided to head out to tow his mate to the waves on a Jet Ski. But he just couldn't resist it. Saying that, at the bottom, it did get a wee bit hairy.

"I've never been held down by a wave that size and I've ridden big waves," he told *Nuts*. "I've seen waves rip a guy's arm off so there's nothing holding it on but skin, and I'm thinking this could tear my head off!" But not that day, Garrett. Not that day.

The new wave machine at the baths was a bit lively

How to survive a wipeout

90ft wave equals
six double deckers high!

- You need to be able to keep away from your board. When you see the wave, fall or kick away from your board towards the back.
- Take a deep breath, curl into the foetal position and relax your muscles as much as possible.
- **Stay calm. Relaxing will allow you to retain your air supply longer.**
- Stay in the foetal position as the wave passes. Most wipeout injuries are a result of over-extension as the water pulls you apart.
- **When the turbulence has passed, let out a bit of air, to see which direction the bubbles go. It's easy to swim down, thinking that's the way to the surface.**
- Swim to the surface and take a breath, but look around. If you've been hit with one big wave, you're likely to be hit by the next one. And the next one. And...

A quick word with... Seth Rogen!

The Pineapple Express star talks weight loss and doobies!

Hi Seth! You got abs for *The Green Hornet* and Jonah Hill has a sleek new look.

Is there no room for chunky guys in Hollywood any more?

The abs are gone now. I've let myself go! And, actually, it's the opposite. There's pressure not to change. Jonah lost weight, which is great. He's healthy, he'll probably live longer now and yet people start giving him sh*t for it. To me that's insane. He should be congratulated. But people ask him, and they ask me the same thing, "Do you think you're still gonna be funny?" I'm like, "F**k you!" If anything, it's the opposite. It's not that people don't like fat guys, it's that once they see you as fat they want you to stay that way!

In your movie *50/50*, you talk about "froggy style" sex. What exactly is that?

As [Seth's character] Kyle says in the film, "It's like doggy style, but you're way up there!"

All your characters like to smoke jazz cigarettes. Is this art imitating life?

Just like Kyle, I have a prescription for medical marijuana. It's total bullsh*t of course! I say I suffer from anxiety. When I get a prescription it's because I'm usually suffering from a very specific ailment. It's called I ain't got no weed on me right now!

Girls often say they prefer a sense of humour to looks in a guy. Discuss.

A lot of girls like a guy with a sense of humour but that's probably fifth on the list! It sounds good when they say it, but I can confidently call bullsh*t on that!

So women didn't start throwing themselves at you after *Knocked Up*?

It happened a little bit more but I was so uncomfortable with it that they could probably sense from ten feet away that I wasn't going to deal with it. I didn't go out a whole lot back then!

You're making a film about two women who start their own telephone sex line. Can you talk dirty to us?

My wife [played in *50/50* by Anna Kendrick] would get jealous. She wrote it and stars in it and doesn't talk nearly as dirty to me as she does to the other people in the movie, which is really quite disturbing. I need to accept this and move on.

Cheers, Seth. Finally, when you're in a relationship should a chap keep the bathroom door closed to maintain the mystique?

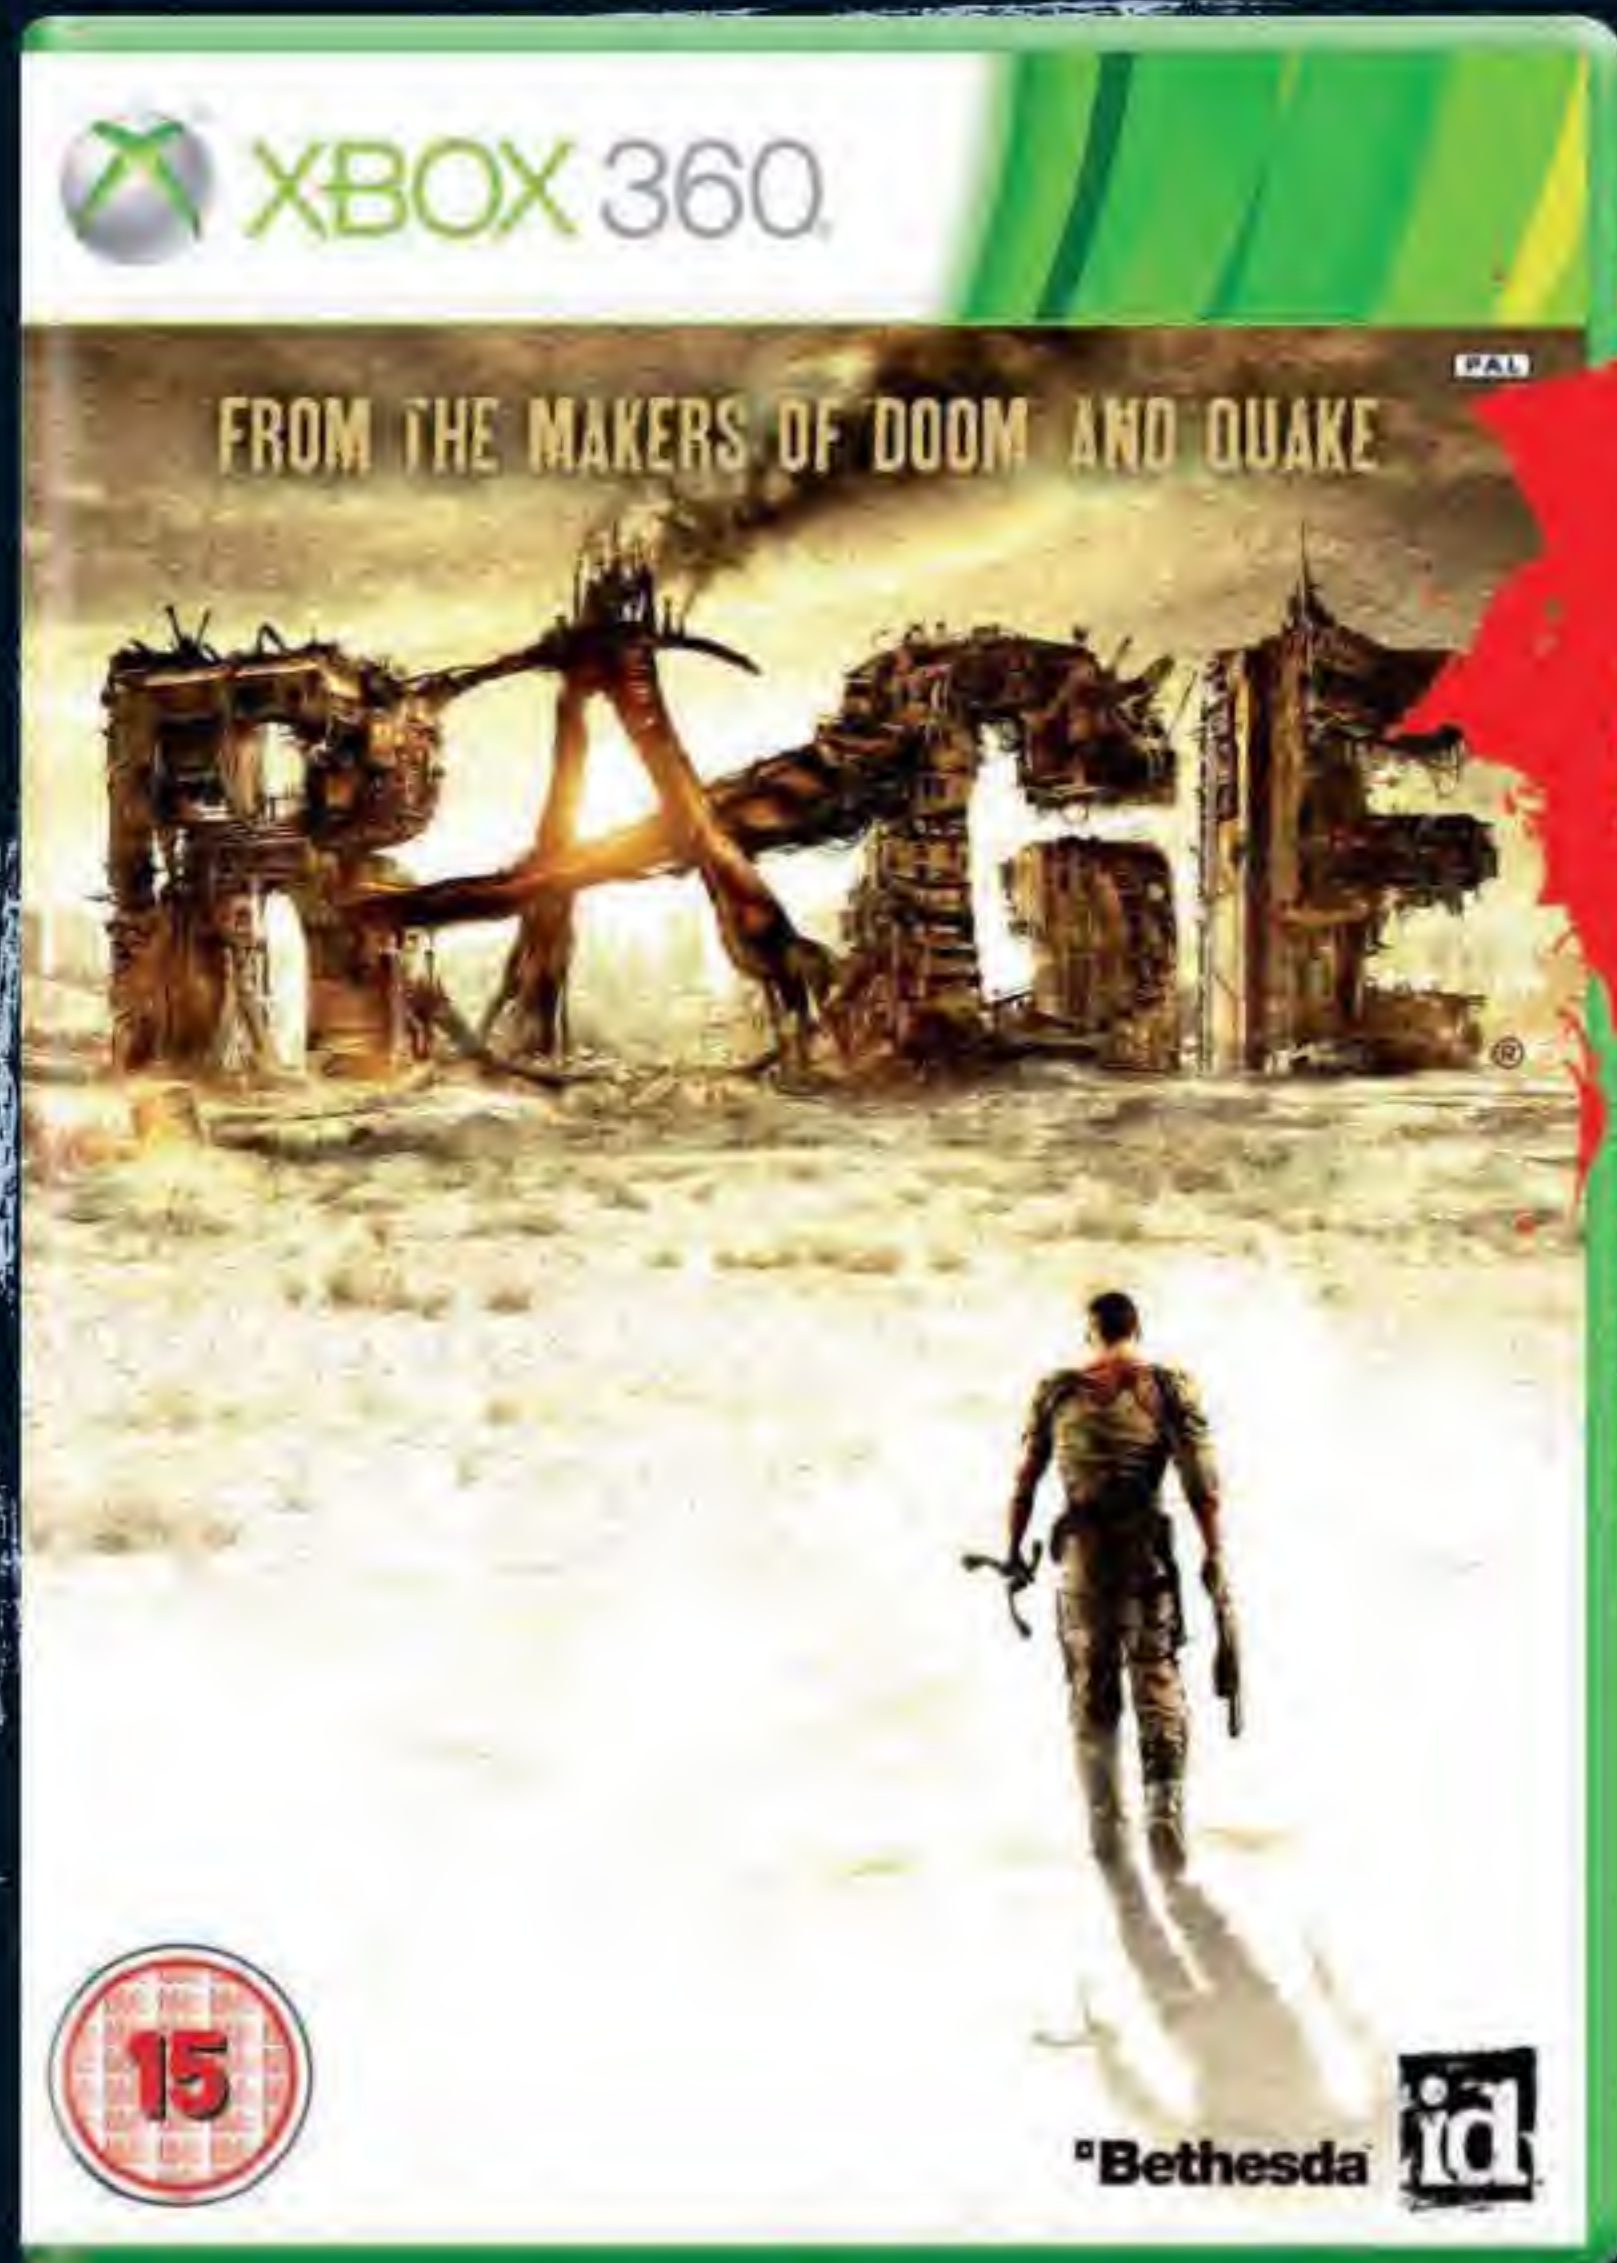

Definitely. I only do stand up business in front of my lady friend as I don't want her to see how vulnerable I look sitting on the toilet!

● *50/50* is in cinemas from 25 November

Biggest balloon animal ever!

Two and a half miles of balloons!

➔ WE ALWAYS thought the balloon modelling repertoire consisted of a dog, a sword and a crown. At least, that's what that booze-stinking clown at our sixth birthday told us. But "balloon artist" Adam Lee set his sights a bit higher with the world's biggest balloon animal.

The spider, measuring 14 by 6.7 metres, took him six ten-hour days to twist together, using 3,000 balloons. Weirdly, Adam has a phobia of spiders. Which is like us making the world's biggest Sepp Blatter balloon.

I GOT kicked out of a bar recently for not washing my hands. A friend of mine told me that the toilet attendant was a bit of a cock, so I told him, "I don't need to wash my hands 'cos I know where my cock's been," and the c**t radioed through that I was being a d*ck. When I left the toilet, security were waiting for me and they said, "You know what? You've really upset the toilet attendant." I was like, "I've upset him? C'mon, this c**t works in a f**king toilet – like I'm going to be the worst thing to happen in his day!" Fortunately, they saw the funny side – then threw me out!

"Dolphins are just fish!"

IT'S BEEN reported that a marine park in Switzerland held a rave recently and a dolphin there died because the pounding techno affected its heart. Really? Who actually gives a f**k? Dolphins are c**ts. People always go on about how human they are because they're mammals. No, they're not – they're f**king fish. They swim in the sea, they look like fish, they're f**king fish, alright? Jeez, we even have dolphin-free tuna. I mean, if you really care, how do you think that makes the f**king tuna feel? As for me, I'm just looking forward to the day when I can eat a can of tuna-free dolphin.

"Actors will do anything!"

I JUST finished filming a sitcom pilot for FX in America. One of the characters has muscular dystrophy and during the auditions, I really appreciated what actors do to get a role. The first guy we auditioned was actually disabled. Big old f**ker who came in with his carer. He was dribbling everywhere and I thought, "Jeez, we've got to cast this guy!" Then the next guy showed up in a wheelchair and I thought, wow, this is gonna be tough. Until I saw his f**king legs move! He was only acting disabled in front of the disabled guy. I was so shocked I kicked him out. Anyways, later that night, I looked the first guy up on the internet and it turns out he wasn't disabled at all, that he'd even employed that guy as his carer to get the part. I wouldn't have minded but did he really have to accept my offer to carry him down to his car? The fat f**k.

SEX ADVICE FROM A FIT LESBIAN!

Because she knows what she's doing and we don't!

DANNI ORSI,
100% REAL
LESBIAN!

You might recognise Danni from hit TV show *Candy Bar Girls* on Channel 5!

Should I sleep with my boss?

I work in an office and my female boss is a real flirt. When we're alone, she makes really crude jokes, deliberately bends over my desk to show off her boobs and does nothing but talk about sex. She's a little bit older than me but I really do fancy having a crack at her. What if I've got it wrong, though? Is it worth potentially getting the sack over?

BATESY via email

Everyone likes having the odd flirt at the office every now and then, but is it just you she pays such attentions to? If you're not sure, I suspect this cougar is just a promiser rather than a deliverer and making an advance of your own could really get you into hot water. I'd avoid falling into the trap entirely, just in case you end up on a sexual harassment charge. And no – an office fling isn't worth losing your job over.

ILLUSTRATION: BILL MCCONKEY

LETTER OF THE WEEK!

I hate her sex face!

My girlfriend pulls really weird faces when we're having sex. I mean *really* weird. It's like she becomes a different person and it's very off-putting. The first time we had sex, I thought she was going to be sick because of the faces she was pulling. What on earth can I do to stop her?

BILLY Birmingham

Extreme facial expressions aren't unusual in sexually excited women. It's a sign they're letting go and really feeling it. You should take it as a compliment! However, if it really puts you off there are some things you can do – shut your eyes, get her a mask or enter from behind.

Help! Fit flatmate alert!

I really fancy my housemate. Since we started uni together we've always got on really well. If I make a move, I'm worried

it'll ruin our relationship and make everybody else in the house feel awkward if she turns me down. What do you think?

TOMMY Leicester

Hey, nothing ventured, nothing gained. Be courageous – what do you really have to lose?

She screams too loud!

My new girlfriend loves really loud sex. She says she can't enjoy it unless she's screaming the place down. It doesn't bother me but my flatmate says it's really annoying and a bit embarrassing if other people are in the flat. What do I do?

VINNIE via email

A lot of women are noisy when they're fired up. But it's good manners not to disturb others, so wait until they're out, find somewhere else or invite your flatmate and any visitors to join in! (You don't say if your flatmate's male or female).

- If you've got something to ask Danni, just email her at thelesbian@nutsmagazine.co.uk or write to her at the usual *Nuts* address on p72.

What a clock

AN UNLUCKY-IN-LOVE bloke finally meets a lady. When they get to the bedroom, she removes his trousers. "Wow, your thing wouldn't make a very good clock!" she exclaims.

"Why not?" asks the poor guy.

"I'd struggle to get a second hand on it!" she says.

Bear with us

A POLAR bear walks into a pub and immediately approaches the bar.

"What can I get for you?" asks the barmaid.

The bear replies, "I'll have a pint of bitter, a large glass of wine and..." he waits for five minutes before finishing, "...a packet of salted peanuts."

"Why the big pause?" Enquires the barmaid.

"I don't know," responds the bear putting his arms in the air, "I've always had them!"

Drunk walk

TWO FELLAS are at work after a heavy night in the pub. "I made a right boob of myself last night," says one chap.

"Why, what happened to you after you left the pub?" asks his mate.

"Well, I drunkenly took all my clothes off at the bottom of the stairs so I was completely naked, then crept up the stairs so I didn't disturb anyone," the first bloke recalls.

"That's not so bad!" the other chap says.

"Yeah," says his mate, "but I don't think the other passengers on the top deck of the bus were all that happy about it!"

Introducing the hottest new models - in their first ever *Nuts* shoot!

ONLY IN
Nuts!

Jessica

Gents, meet the 18-year-old, 30FF beauty from Cardiff!

Hi Jessica! So, how was it doing your first ever *Nuts* shoot?

Cool! Very exciting. I've always wanted to do underwear modelling. I do beauty pageants and there's always a bikini section in there, so taking my clothes off for people to look at me is nothing new!

Crumbs! Then you're an actual, bona fide beauty queen?

Well, I won a regional round. They can be very competitive and pretty fierce!

If you want to be an underwear model, what would your fantasy photo shoot be?

I absolutely want to be a Victoria's Secret model. That would be so amazing. Just beautiful lingerie, a pair of heels, wings and nothing else!

Tell us more about you - what are you like on a night out?

I'm all about partying in the flat with my girlfriends first. Then after that, we'll hit some bars and clubs!

And how messy do your nights on the town get?

There's carnage in Cardiff, definitely! We move from club to club, having to slam drinks down. There's definitely a fair few shots involved!

What do you look for in a bloke?

Someone who knows how to treat a girl like a princess. He has to be nice and be able to make me laugh. I also like random, sweet texts during the day. I need to know he cares!

Tell us something embarrassing that happened to you lately?

An ambulance whizzed past me on the street, so I craned my neck to look and I walked into a lamppost!

Tim Vine Vs the Nuts Question Bucket!

Sell:

The king of puns on kangaroos, bananas, monkeys, mermaids and goldfish!

Copy:

THE RULES are simple. We fill our bucket full of ridiculous questions, then a celebrity picks them out at random and must answer whatever questions they get!

What will you have written on your gravestone?

"I'll name that tomb in one."

Can you make up a song about Nuts right now?

I would do but I'd have to wear a shell suit.

What did you want to be when you grew up?

An adult.

Complete the following limerick: "There was an old man from..."

There was an old man from Limerick who was completely unaware of the short and often humorous poems that

share the same name as his hometown.

How much wood would a woodchuck chuck if a woodchuck could chuck wood?

£2.76. I learnt that from watching the Saw movies.

Would you rather have a talking goldfish or a trained cat that could do the hoovering?

I used to have a goldfish called Ping. When he died – yuck! Did Ping pong!

If you could have your head replaced by an item of fruit, which fruit would you choose?

I'd choose a straw-beret.

Is this a rhetorical question?

I'm not sure. Is it?

A man walks into a bar. What happens next?

The bar goes, "Ouch!" because it's a tender bar.

What's the square root of 169?

I'm not sure. But last night I dreamt of the number 2.3333333333. It was a recurring dream.

Could you beat a kangaroo in a fight?

I went out for a drink with a kangaroo. He didn't buy a single beer all night long. He had short arms and long pockets.

Could you pack up and leave right now if a job came up as a pirate?

Funnily enough, the other day, this pirate came up to me and said, "I can't find my crow's nest." I said, "That's your lookout."

Would you rather have the body of a human and the brain of a monkey or the body of a monkey and a human brain?

I'd go for a human brain and the body of a monkey. That's a gibbon.

If you had to fight a bear, a crocodile and a snake all at the same time, what order would you fight them in and how would you defeat them?

I'd grab the snake behind its head and use it to kill

the bear. Then I'd jam a pencil in the crocodile's mouth to keep it open. Don't put the pencil behind his ear. I've made that mistake.

If bananas wear pyjamas, what does an orange wear in bed?

I've got some shoes made out of banana skins. They're slip-ons.

Would you rather have an elephant trunk for a nose or mermaid's tail instead of legs?

I think I'd rather have a trunk. It'd mermaid all the difference.

Invent a new flavour of crisp, please.

Tangerine flavour, which is what you eat if you're a satsuma wrestler.

Who was the first girl you ever kissed?

I went out with my first girlfriend for six months. During that time, I saw her once every six months.

OF THE

\$KY!

The pilots routinely transport everything from drugs (top) to heavy duty ordnance (bottom)

The Antonov 12 is banned from several countries' airspace

WITH A violent lurch, the ageing Soviet aircraft pulled into a steep climb over Kabul as a missile shot up from the darkness below. Sergei, one of the aircraft's seven Russian crew, leant closer to his passenger, British journalist Matt Potter: "This is where they start shooting." As Potter braced himself, the pilot, one of a band of pilots turned mercenary following the collapse of the Soviet Union, slammed the nose of the 20-year-old Ilyushin 76 cargo plane into an almost vertical descent. "It was like being inside a bomb," Potter tells *Nuts*. At the last moment, the pilot heaved back on the stick, wrestling the clattering giant level, moments before her tyres thumped into the rough ground.

The A-Team

Potter started investigating these airmen after seeing illegal trafficking operations in Belgrade, Serbia. The city was on lockdown but still the huge planes touched down, flooding the bars with champagne, cocaine and caviar. Intrigued, he caught a ride and stumbled upon the world's biggest global trafficking network.

"When the USSR broke apart," Sergei explains, "we took our chance. We knew some people who 'acquired' a plane, so we flew it to Kazakhstan and rebranded it." They knew little more than what war had taught them: how to get dodgy things into dangerous places, how to smuggle. "They became the real A-Team," says Potter.

John MacDonald is a Surrey-based chartering agent who takes the initial job specs from clients, then finds the aircrews. He recalls one job that left the US military in Afghanistan breathless. "They had this huge generator they needed to get to a remote site that was completely under bandit control," he says. "There was no

fuel for miles around the landing spot and no one would touch the job, priced at about \$70,000. One day we got a call from these Russians saying, 'We'll do it for \$2million. In advance.' The Americans didn't have a choice, and sure enough, the crew flew in, right on time, unloaded... then sat smoking cigars. They'd bought a dilapidated plane for half a million, held it together with string for that final flight, then cleared off with \$1.5million in profit."

No Job Too Big

The pilots knew what these vast carriers were capable of from smuggling heroin out of Afghanistan. With a hold that could carry 60 tonnes of cargo, there was legit money to be made as couriers, but it was the compartments underneath, designed for emergency equipment, that held the real pay day. Fifteen tonnes of hidden freight, combined with the near-suicidal will to fly into places no one else would dare, is invaluable to the right people.

During the Soviet war in Afghanistan, the crews had become adept at carrying unlicensed goods in and out of the war zone. White goods were the original cargo, but before long, they were smuggling

people. As Potter puts it: "Spies were transported in, and collaborators flown out." By the '90s, the crews were running everything from drugs and guns to gold and blood diamonds. For the right price, they'd fly into the most war-torn parts of the world, no questions asked.

In 2009, a Russian-speaking crew in Uganda were assigned a mission so epic that it's the stuff of movie blockbusters. They had to drop \$20million in cash out of their Antonov 12 over the waters off the Somali coast, to be picked up by pirates. The crew were given GPS co-ordinates and a mobile phone. When they reached the right spot, they dived to 1,000ft so the pirates could text them with a new GPS position. The crew kept a constant eye on the water – it was not unheard of for pirates to down planes with rockets. They finally saw two boats, the mobile rang and the caller uttered the last instructions: "Don't stop, just drop the f**king money".

Deadly Risks

"Of course there are risks," Sergei tells *Nuts*. "Tiredness, enemy fire, stupid errors, overloading, bad cargo, bad luck... and alcohol and bad living have killed just as many." Similarly, the planes are death traps. "Things literally fall off in the air," exclaims Potter. "Cracks held together by pieces of tin no thicker than a coke can."

According to Potter, everyone from aid charities to government agencies make use of the no-questions-asked service. "When they first sussed out that this was happening, they thought, 'This is something we can use too'," explains Potter. Whether they're risking their lives to deliver blankets and food for aid, or secretly flying in weapons, this band of outlaws are still out there. Somewhere. **X**

2011'S RUDEST MOMENTS

IMOGEN PRESENTS 2011'S...

50 rudest moments!

It's been a naughty old year and we've got the best bits!

2011'S RUDEST MOMENTS

**“Everything
Rihanna
does is sexy –
that girl just
drips sex!”**

Hello Imogen! First things first, what's been your rudest moment of 2011?

Oh, any *Nuts* shoot! You guys always put me in the most racy stuff. People think I'm going to be this sweet little Welsh girl and I'm never that!

Which *Nuts* girl would you like to do a shoot with?

Lucy Pinder. She's a very sexy girl. She's been doing it a while too – I'd be in safe hands!

Who's been your sexiest celebrity in 2011?

Has to be Rihanna. Everything she does is sexy – her videos, the way she moves, the way she dresses. That girl drips sex!

What's the most unintentionally rude thing you've done in 2011?

My Bikram yoga exercise classes! It's yoga in a room set to 40 degrees. The problem is you wear hardly any clothes. A guy always positions himself just behind me so when I lean forward he can see up me!

Where do you think the rudest night out is in the UK?

You can pretty much do anything you like in London and no one bats an eyelid. You can go out without a stitch on and people don't even notice. Manchester's a close second.

What rude trend would you most like to invent?

Upside-down boobs! It's where you stand on your head topless so your boobs drop in front of your face. If they're still pert they won't drop down too far!

J-Lo has her boobs and bum insured for loads. What part of you needs insuring?

My legs! They're a bit underappreciated, I'd say.

Thanks, Imogen! Finally, this shoot very much has an S&M theme. Is that your thing?

I can handle it! I like handcuffs – I feel they have a place in the bedroom. I prefer girlie stuff, but handcuffs are a fave!

"I'd love to do a shoot with Lucy Pinder – she's a very sexy girl!"

Alan Carr: "My nan was sucking the chocolate off a Crunchie to send to Cash4Gold."

Saturday 26 November

The Fighter

SKY MOVIES PREMIERE/HD • 8pm

The true story of journeyman boxer Micky Ward (Mark Wahlberg), who dreams of breaking into the big time. Helping – or rather hindering – him are his clueless mom manager (Melissa Leo), and half-brother trainer Dicky Eklund (Christian Bale), a hopeless crack addict. A classy modern-day *Rocky* – with added punches.

Boardwalk Empire

SKY ATLANTIC/HD • 9pm

After Jimmy's missus overhears her husband tried to have Nucky offed, she remembers that she's actually a lesbian, and longs for the good old girl-on-girl days. So do we, love. In man land, Nucky meets with Arnold Rothstein to discuss Jimmy's crew.

★★★★★

GI Joe: The Rise Of Cobra

CHANNEL 4/HD • 9.15pm

This film got the thumbs down from critics (insert *Family Fortunes*-style quack-quack here) but it's actually a silly, fun flick about good squaddies trying to stop bad grunts going nuclear. Plus it has Sienna Miller in a black leather suit. What's not to like?

BETTING SLIP

PUNT OF THE WEEK!

ARSENAL VS FULHAM

ESPN • 4.30pm

We expect an Arsenal win, but Martin Jol's men put three past the Gunners in their two meetings last season. Put a few quid on a 2-1 home win at 7/1.

Sunday 27 November

The Brazilian Grand Prix

BBC ONE/HD • 3pm

The 19th and final round from Sao Paulo. German Sebastian Vettel has dominated this year, with the title in the bag four races ago. Nothing at stake then, but it gives Lewis Hamilton a chance to build on his Abu Dhabi win and offer hope for next year!

★★★★★

Liverpool vs Man City

SKY SPORTS 1/HD • 3.30pm

One heck of a fixture, with the once-mighty Reds going up against the very-mighty-right-now Blues. Last season, Liverpool won 3-0, but we can't see that happening this time out, unless the all-destroying City machine has an almighty off-day!

★★★★★

Misfits

E4/HD • 10pm

Another week, another adventure for those likeable chavs. In this one, Kelly (who we have a strange crush on) gets stuck in the body of a coma girl called Jen. Naturally Jen's over the moon she's not comatose any more, but Kelly's misfit mates discover the body swap, and want her back before the life support is switched off.

Ross Kemp: Back On The Frontline

SKY1/HD • 9pm

After experiencing Kilo Company's living conditions, it's safe to assume Ross is in need of uplifting news. Step forward the second-highest-ranking American in Afghanistan, who shows how troops, including Brits, will be able to come home for good in 2015.

American Horror Story

FX/HD • 10pm

It's Halloween in *AHS*, meaning even more creepiness. Meet deceased former resident of the Harmons' haunted house, gay bloke Chad (Zachary Quinto). We soon find out how he died, and it involves a dude in a gimp suit – never a good thing!

★★★★★

Never Mind The Buzzcocks

BBC TWO • 10pm

Tonight's guest host is Tinie Tempah, who we think is ace! Filling out the other duties as panellists are Pixie Lott and comedians Chris Ramsey and Joey Page, but the best is Example. Not only an ace musician, but a truly funny geezer to boot.

Arsenal vs Man City

SKY SPORTS 2/HD • 7.30pm

Arsenal fans must break into a sweat at the mere mention of the Carling Cup after last season's final defeat. If Arsene Wenger's men are to go one better this season, they're unlikely to face a tougher test than against tonight's quarter-final opponents.

Richard Bacon's Beer & Pizza Club

ITV4 • 10pm

True Blood

CHANNEL 4/HD • 11.10pm

It's the season ender and Eric finally gets his revenge on Russell by having him burn in the sun. But then that plan all goes to pot, and Eric and co come up with a different demise for the crazy King. Lafayette's having some insane visions, which leads nicely into next year's fourth series. Sit up and pay attention, people!

Wednesday 30 November

Man United vs Crystal Palace

SKY SPORTS 1/HD • 7.30pm

A Carling Cup quarter-final tie likely to feature an under-strength United against a Palace side who've been doing pretty well in the Championship this season. We expect a win for Alex Ferguson's men, though this might be tighter than it looks at first glance.

★★★★

Frozen Planet

BBC ONE/HD • 9pm

One thing this series hasn't touched on till now is a specific animal that lives in the polar regions – man. It's rough going for anyone who happens to live in the Arctic or Antarctic. Life involves hunting animals that are pretty good hunters themselves, and long, long spells in total darkness. A bit like Wolverhampton, then.

★★★★★

Chris Moyles' Quiz Night

CHANNEL 4/HD • 10pm

Tonight's guests are *Strictly Come Dancing* (shudder!) judge Alesha Dixon, ace comic Frank Skinner and Sky Sports legend Jeff Stelling, who compete for a prize donated by host Chris, and answer questions from other famous types. Decent.

★★★

ONE WITH THE MISSUS!

CHARLIE'S ANGELS

E4/HD • 8pm

It's a brand-new lady drama – a decidedly lacklustre remake of the '70s show. On the plus side, the three lead Angels are very sexy, especially Minka Kelly, making it far more watchable for you.

Thursday 1 December

Dave's One Night Stand

DAVE • 9pm

An excellent triple bill of international stand-up, featuring Australian Steve Hughes, German (yes, really) Henning Wehn and American Reginald D Hunter who, if you've seen him on *Have I Got News For You*, you'll know to be a superb wisecracker.

★★★★

The Mentalist

CHANNEL 5/HD • 9pm

Tonight's episode is something of a filler with no plot advancement in the Red John arc, and largely following the "stabbed-to-death dead man found, case opened, case solved" formula. Still, it's all good fun as Jane does his normal mentalising catching other would-be killers. Well, you do just happen to stumble across them.

★★★

Argumental

DAVE • 10pm

As comedy panel shows go, this has never been a patch on the likes *8 Out Of 10 Cats*, but with new captains Seann Walsh and Robert Webb, and brilliant new host Sean Lock, it's taken a turn for the better in series four. Stephen K Amos is among the guests comically debating topics such as whether rioters just want a cuddle.

Nuts gambling masterclass!

A host of top tips to help you play Deal or No Deal!

➔ **YOU MAY** think Deal or No Deal is a game for those who believe in "systems". Well, the TV show might be, but the multi-line slot isn't!

You can win big from the comfort of your own home for as little as 5p, and if you play on all lines, you could win a progressive jackpot. One recent Nuts Games winner bagged himself £229,776!

How to play

- The aim is to get winning symbol combinations from each spin of the reels, with the ultimate target being the progressive jackpot.
- You can select up to 20p on each of the 20 pay lines. That gives you up to 20 chances to win on each play!
- The progressive jackpot can only be won on the Deal or No Deal bonus game, but there are also two other fun bonus games called Banker's Offer and Mystery Box Bonus, where you can win some extra cash.

GET UP TO £200 FREE PLAY!*

The number lines

It's all self-explanatory – click the number beside the reels, or the "Bet One" or "Bet Max" button. Choose Bet Max for the chance to play the bonus game and win the biggest jackpots!

Bonus game

If you bet on all 20 pay lines and you get three Deal or No Deal bonus symbols on any pay line, the bonus game begins – this plays like the TV show, with the big progressive jackpot at stake. Don't be too greedy or, like us, you could end up with £8 instead of £100!

Plus win up to £10k!

Play three games for the price of one with **Deal or No Deal Scratchcard**. Play from the comfort of your home for £1 for your chance to win!

CARD KING!

The life of a poker pro!

Scott's column this week: ups and downs!

FROM CUSTOMER
Services Executive
to professional poker
player, Scott Shelley fills us
in on his life as a professional
poker player...

Scott says:

"My life in poker has been on the quiet side of late. Recently, I was due to defend the two

titles I was holding – the Surrey Masters and the World Series of Europe £1,000. Unluckily for me, I wasn't even able to attempt a defence in either due to illness.

"Since then, though, I've been to Amsterdam to take part in the €5,000 buy-in Dutch Masters main event. I was up and down on day one and finished with 64,000 chips, which gave me a comfortable position going into day two. There, I found myself on a weak table where I was able to chip up to 100,000. Then it all went to hell. I lost a 90,000 pot where I got the money in as a 70 per cent favourite. If my odds had held up, I'd have doubled the average stack heading into the money, but it wasn't to be and I busted out in the next hour.

"Although I was totally gutted to bust out when I had a decent shot of making a run for the title, you've just got to get over it. I'd be more upset and angry at myself if my elimination was down to my own mistake, but that wasn't the case.

"So, what's coming up next? Well, potentially a visit to

Nottingham's renowned Dusk Til Dawn cardroom for their £1,000 event. And then there's always a home game at my mate's house, fellow Team PKR pro James "james666" Sudworth. Wish me luck!

"I'll be talking more about what life's like as a pro poker player over at Nuts.co.uk/poker. Be lucky, chaps!"

CONFESSION OF THE WEEK!

'He led me into the cellar'

MY SQUADDIE husband of 16 months recently returned from Afghanistan, and in his first week back we had to go to an important dinner. I'd never seen him in his full uniform and he looked very sexy, so I pulled on a slinky black dress with no underwear. We touched each other under the table all night. I was so turned on, I had to have him. He led me to the cellar and in seconds we were at it, his medals jangling in time to his thrusts. I came almost instantly. We returned to the table with naughty-but-satisfied smiles on our faces!

'She kissed my breasts'

I'VE ALWAYS had a soft spot for a girl at work but never in a million years did I think she was into me until she invited me over one evening. As she

opened the door, she reached for my hand, leading me to the sofa. The wine flowed and, before I knew it, her hands were gliding over my breasts and around my waist, then she pulled me to her. She began to kiss my neck, brushing my hair from my shoulders. Her kisses got lower, sweeping over my

breasts and down my stomach. I felt her tongue between my legs and my back arched as an orgasm rushed over me. The best part was when she kissed me afterwards and I could taste myself on her lips!

Laura Sale

'We stopped off in the park'

ON THE way home from a night out at the pub with some friends the other night, I started thinking about the hot sex my boyfriend and I had the night before. This, along with being a bit horny from the wine, made me want him there and then. We were walking on a footpath that ran through the park close to his house when I stopped him and started to kiss him passionately. I whispered to him that I wanted to give him a blow job and the growing bulge in his jeans told me he wouldn't take much persuading. So, we moved out of the light from the footpath then I knelt down and sucked him hard and fast. He told me he wanted more, so I pulled my jeans down to my knees and turned round so he could take me from behind. He pushed me up against a fence post, grabbed my hips and kept going until I came. I then finished him off with my mouth and we raced home, giggling at our naughty exploits!

Emily Yorkshire

'I was fully serviced'

MY CAR broke down one night, so I phoned the recovery service. While I was waiting, I began to fantasise about a hot guy coming to rescue me and I slipped my hand into my little pants to give myself a treat. I was getting really worked up and my front window steamed up, so I didn't notice the recovery man arrive. He appeared at my side window with a full view of what I was doing! I wanted to die, but noticed he was fit and had a wicked grin on his face. I gave him a cheeky wink and carried on. He got in the car, the bulge in his trousers straining hard. He moved forward, pulled my soaking pants to one side and gave me great oral sex. Then he towed my car home and I invited him in to carry on the fun!

10 RUDE QUESTIONS!

And a real girl to answer them!

Jo

23 **Edinburgh**

1 Where's the strangest place you've had sex?

"It was in an executive box overlooking the pitch of a very famous football ground. You could say there was a lot of scoring going on both on and off the pitch that day!"

2 What's your trademark naughty move in the bedroom?

"I'm a girl who knows what she wants, so I'd say taking control of my man. The best way to grab a man's attention is be the ten different girls he wants to sleep with all at once!"

3 What really turns you on in bed?

"A man who's not afraid to be experimental. Someone willing to grab me and give me a good seeing to!"

4 What's your favourite position?

"I love to get on top and give as good as I get!"

5 Is it better to give or receive?

"I'm definitely a giver. I love to get my man worked up to the point where he just wants to grab me and thank me... again... and again... and again!"

6 What one thing would you really like to try but haven't yet?

"It's safe to say that I'm an adventurous girl. If there's something that comes to mind that I want to try, then by the next day I can guarantee I'll have tried it!"

7 Have you ever got it on with another girl?

"I've had my fair share of experiences – you know what us girls are like! We do everything together, so a few too many cocktails and an adventurous friend can be a cheeky combination!"

8 What's your favourite role-playing costume?

"I've got so many! I could give Ann Summers a real run for their money and possibly even a few new suggestions!"

9 Have you ever made a sex tape?

"I've made many. I watch porn all the time and think, 'I could do so much better than that!'"

10 What's the single rudest thing you've ever done?

"Well, it doesn't get much ruder than sex in a packed football stadium!"

"I love to get on top and give as good as I get!"

Liverpool vs Man City special!

Reds legend Gary McAllister on Sunday's face-off!

TABLE

TOPPERS Man City head over

to Anfield on Sunday afternoon for what is sure to be a stern test of their title credentials. To find out where the game will be won and lost, we spoke to Liverpool and Scotland legend Gary McAllister, who gave us his big match verdict!

● **I AM PLAYR** is a social football game. Play the life of a pro footballer, with exclusive cameos, including Gary McAllister. www.iampayr.com

BIG MAC ATTACK!

In just two years at Liverpool, Macca won three trophies, including the FA Cup and Uefa Cup.

Macca on the teams!

LIVERPOOL "The onus is on Liverpool to attack, but I think Kenny Dalglish will be wary of Man City's pace, especially on the counter. The Reds will take heart from their 3-0 win over City at Anfield in April, but Roberto Mancini's team have improved a lot since then."

MAN CITY "City have been fantastic so far this season. If you look at their starting XI, there are very few weaknesses. Mancini knows how to win at intimidating grounds and I expect they will set up in a similar fashion to Old Trafford, then sit back and wait for chances."

Macca on the defenders!

LIVERPOOL "Jose Enrique has been a fantastic signing and Glen Johnson seems to be getting back into form. The centre pairing is a little bit weak: for me it has to be Jamie Carragher and one other. Martin Skrtel and Daniel Agger need to prove themselves worthy of a start."

MAN CITY "City's back four have been very impressive – they are a big, powerful unit. Micah Richards has been great all season, and the pairing of Vincent Kompany and Joleon Lescott is very solid. They definitely have the edge over Liverpool when it comes to defence."

Macca on the midfielders!

LIVERPOOL "New signings Charlie Adam, Stewart Downing and Jordan Henderson have started well, but they'd have benefited from having Steven Gerrard in the side, to lead by example. Dalglish will go with Lucas and Adam dropping deep, and push Gerrard up the pitch."

MAN CITY "Mancini has so many options. He can start with two holding midfielders and keep it nice and tight, then change it from there. James Milner and Gareth Barry have won the manager over and are regular starters, and you have David Silva pulling the strings."

Macca on the strikers!

LIVERPOOL "Luis Suarez is as important to Liverpool as Silva is to City. He has been fantastic for Dalglish and will be a real handful for Kompany and Lescott. If Gerrard is fit, I'd just play him in the hole behind the Uruguayan and drop Andy Carroll to the bench."

MAN CITY "After Mario Balotelli's performance against Man United, Mancini will go with the Italian up front. He'll be deployed in a similar role to Old Trafford, using his pace and guile on the counter. With Sergio Aguero, City have real speed and they will use it at Anfield."

MACCA'S PREDICTION Liverpool 2-1 Man City "I'm a bit biased, but if Gerrard plays, Liverpool will have the edge, especially at Anfield. Expect few goals in what could be City's first defeat this season!"

KAMMY!

He's the voice of the fans – and he's only in *Nuts*!

Blatter in mouth
closed shocker

He'd cunningly attached
the ball to a piece
of thread

Group of death a nightmare for England!

THE EURO 2012 draw's made next week and it's shocking to see that England could be in the same group as Spain, Portugal and France. What a nightmare! I wouldn't want England to face that kind of test so early. And all without the suspended Wayne Rooney!

We may have beaten Spain at Wembley but tournaments are completely different. As for Portugal and France, they aren't the forces they once were but are still a real threat.

Obviously, this is a worst-case scenario, but it highlights how difficult it's going to be next summer. At least it might calm the expectations of England fans, though!

Blatter must quit!

His comments on racism are a disgrace!

➔ **ANOTHER WEEK**, another Sepp Blatter balls-up! His comments on racism in football are an absolute disgrace and simply not acceptable from a man in such a lofty position. To say there's no racism in the game, and that any disagreements should be solved with a handshake, is

incredible! Has he not been reading the papers recently?

The Swiss claims his comments have been taken out of context, but seeing as the interview was filmed, he hasn't got a leg to stand on. The man's never been racially abused and hasn't a clue what he's talking about!

It certainly makes it easier to understand why

Fifa have never tackled the racism issue head-on. The fines they've dished out in the past have been pathetic.

Football must move with the times, but Blatter's a dinosaur, he's made embarrassing comments about the women's game and homophobia before, and this is just the latest in a long line of gaffes.

- Send jokes, comments, pics etc to kammy@ipcmedia.com. The best one each week wins a signed *Nuts* T-shirt!

KAMMY'S UNBELIEVABLE-OMETER™

UNBELIEVABLY GOOD!

BRILL BARRY!
Gareth Barry's been credited with England's 2,000th goal, and so he should be! The benefit of the doubt should always go with the attacking team!

UNBELIEVABLY BAD!

FAN FAIL!
Everton fans are planning a protest against the club's board. Bill Kenwright's a friend of mine, he loves the club and only wants the best for it. Get off his back!

THE BIG MATCH!

"Get lost you two – I've got a terrible itch down here!"

Top Trap gets Ireland through!

IT'S FANTASTIC to see the Republic of Ireland qualify for the Euros. Giovanni Trapattoni and his boys have done a wonderful job – they deserve a medal! Their fans are amazing and will no doubt be the life and soul of the party in Poland and Ukraine. Not many sides will fancy drawing the men in green. They've proved so tough to beat in qualifying and defend extremely well as a team. It'd be great to see them qualify from the group stages!

"Your missus just texted me – she's recorded Countryfile for you"

Man United vs Newcastle

SAT 26 NOVEMBER, 3PM

You have to fancy Man United. They're unbelievably strong at Old Trafford and must keep their foot on the pedal to chase down Man City. Newcastle have made a wonderful start but are in a tough run of fixtures. It'll be a good test to see how far Alan Pardew's men have come.

KAMMY'S PREDICTION: 2-0

Key man

Tim Krul has been great so far this season and the Newcastle keeper will have to be on form to keep the score down. He's going to be busy!

MLS crowds – unbelievable!

I SEE that Major League Soccer's now the third most attended sport in the US, ahead of the NBA and NHL! It's an incredible statistic and can be put down to the Beckham factor. He's done wonders for the game's popularity. It's about time Americans realised it's the best sport in the world!
